Clinical Experience:

Licensed Clinical Psychologist

Private Practice
Kenneth Cole Counseling
Center for Psychological Services
Kennewick, WA

April 2014 – Present

Dr. Cole has worked in many different legal and community-based environments; conducting assessments, writing reports, giving testimony, doing direct treatment and working with various therapeutic communities. Focus of assessment services has included court-related issues; Court-

ordered psychological evaluations, Competency to Stand Trial, Not Guilty by Reason of Insanity and Diminished Capacity, as well as parenting evaluations related to guardianship issues. Dr. Cole also has extensive experience evaluating children for use in education-related identification of mental health conditions contributing to learning disabilities. He also evaluates children and adults for Autism Spectrum Disorder.

Clinical Assistant Professor

April 2019 – Present

Elson S. Floyd College of Medicine
Washington State University

Dr. Cole instructs medical students on the issues related to diagnosis and treatment of mental health disabilities and related psychotherapeutic considerations in preparation of the student's individual role as medical practitioners.

Certified PETP Parenting/Family Evaluator

June 2008 – Present

Private Practice
Kenneth Cole Counseling, P.S.
Kennewick, WA

Dr. Cole was trained by G. Andrew H. Benjamin, who wrote *Family Evaluation in Custody Litigation: Reducing Risks of Ethical Infractions and Malpractice* (Benjamin & Gollan, 2003, American Psychological Association Press), which described the Parent Evaluation and Training Program (PETP) protocol for conducting parenting evaluations. PETP has prepared more than 120 accomplished mental health and law professionals to work effectively as evaluators and treatment personnel. Dr. Cole was certified by Dr. Benjamin to use the protocols developed by PETP and has been extensively trained to protect the interests of vulnerable children and to help resolve high-conflict in family law litigation.

Forensic Psychology Intern

February 1, 2010 – June 1, 2011

Supervisors:

Philip G. Barnard, PhD
Psychological Associates, Richland WA

G. Andrew H. Benjamin, JD, PhD
University of Washington, Seattle, WA

Dr. Cole has completed in excess of 1500 hours of supervised experience engaging in forensic related psychological services for individuals involved in the legal system; competency to stand trial evaluations, sanity and diminished capacity assessments, court-related comprehensive psychological evaluations and assessments of families involved in high conflict divorce litigation. In addition, when not in the role of evaluator Dr. Cole provided counseling for individuals in court-related circumstances. Dr. Cole also observed Dr. Barnard conduct psychosocial interviews with law enforcement candidates and observed his testing technicians administer and score a battery of tests specifically designed for law enforcement candidates. Dr. Cole assisted Dr. Barnard in the interpretation of the data produced by those tests and discussed issues related the determination of the psychological status of the candidate.

Licensed Mental Health Counselor

April 2002 – April 2014

Private Practice
Kenneth Cole Counseling
Center for Psychological Services
Kennewick, WA

Private practitioner having provided more than 15,000 hours of out-patient mental health counseling to children, adolescents, adults, families and couples.
